

# 1 Port PoE Repeater

100Mbps | 100m

## 1 POE PORT

1 in & 1 out

## 100Mbps

Data transfer rate

## 328ft (100m) RANGE

Extends PoE signal another 100m

## IEEE 802.3af

Standard

## ALUMINUM HOUSING

High durability

## UNMANAGED

Ports Automatically detect devices

### Standard

IEEE 802.3x

10/100BaseT and full/half duplex

IEEE 802.3af PoE

### Number of PoE Ports

1 PoE Port

### Network Management

Unmanaged

### Transmission Method

Store and Forward

### Filtering/Forwarding Rates

100Mbps Port - 148,800pps

10Mbps Port - 14,880pps

### LED Indicators

Power, LAN In, LAN Out

### Power

44-57V

### Power Dissipation

2W

### PoE In

12.95W Max

### PoE Out

10W Max

### Range

328ft (100m)

### Dimensions

4.7" x 3.54" x 1.1"

### Weight

.75 lbs

### Operating Temperature

32°F to 122 °F

### Humidity

5 to 90% RH (Non-condensing)
