

Smart Lighting – Good for neighbors. Terrible for home invaders.

Pro-intelligence. Pro-detection. Pro-active. That's Pro-X.

Trespassers: BEWARE.
New Pro-X 12 MP Cameras feature
smart Hybrid Illumination, automated by MD 2.0 to
light up only when needed for responsible lighting,
color video, & effective home protection.

Pro-X Hybrid Illumination cameras feature 12 MP *color recording, 24/7 for truly stunning & sharp footage, day & night. *B&W IR recording also available.
